

Dear Ph.D. candidates and postdocs,

We are back with a vengeance and excited to announce a number of exciting events this semester:

MOTIVATIONAL LECTURE WITH BØRGE OUSLAND, 2nd March at 16:00-17:30
Auditorium 2, Kristine Bonnevis hus:

Børge Ousland is an accomplished polar explorer and those of us who have had the pleasure of hear him speak before, can attest to how exciting his lectures are. We also thought that a polar explorer would be uniquely qualified to give us a pretty inspirational lecture on the importance of endurance and preservation, in a way that we young researchers could really relate to!

Places are limited so please sign up:

EURODOC 2017, 26-27th April 2017:

In collaboration with UiODoc, the Association of Doctoral Organisations in Norway (SiN, <http://stipendiat.no/>) is hosting the Eurodoc 2017 conference titled "Open Science – Challenges and Opportunities for Early Career Researchers" at the University of Oslo. We would like to invite you to join us at the conference and to be part of a discussion to help shape the future of scientific practice. PhD candidates and postdocs at UiO have free entry to the conference.

More information and registration at <http://eurodoc-oslo2017.org/>

RECTORIAL ELECTIONS 2017, DEBATE 24th March 2017 at 12:00-13:30, Science Library, Vilhelm Bjercknes' hus:

UiODoc is pleased to report that we have been in close contact with both candidate teams for the upcoming Rectorial elections in April! We are organising a lunch debate with the candidates exclusively dedicated to PhD candidates, postdocs, and temporary researchers. The candidate teams will discuss the challenges the young researchers are facing today - and how each team is considering to address them.

You will have the chance to meet the two candidate teams and ask questions. In addition, we will also be taking questions by email -- please send us questions to info@uiodoc.no and we'll select the best questions at the debate!

Coffee, tea and light refreshments will be served. Everyone is welcome, but please register so we can better prepare the logistics:

Exciting times are coming, stay tuned!

Best,

The UiODoc Board
