

Dear all,

You are all cordially invited to UiODoc's 2017 General Assembly (GA) at Abels utsikt at Niels Henrik Abel Hus (12th floor), May 11th from 16:00. The GA will be followed by tapas and socialising.

Please sign up for the GA and social event here by the 5th of May:

<https://nettskjema.uio.no/answer/uiodoc-ga-2017.html>

The agenda and the annual report can soon be found here:

<http://uiodoc.no/events/general-assembly-2017.html>

As UiODoc exists to represent you, your opinion and your needs, we welcome your participation and input on all matters to be discussed at the assembly. First and foremost, we are looking for new members to join our board (many of our current board members will have to step down).

We invite anyone who is interested in helping out phd students and postdocs across UiO to come forward. You will get to represent UiODoc in various contexts, meet with the university administration, and outline strategies for a good representation of the interests of the fixed-term employees. But you won't be doing this alone! A dedicated board will assist you in making the work of UiODoc a success! Board members receive financial compensation for their work and time.

Please find the board position names, responsibilities, and tasks here: <http://uiodoc.no/about/executive/>

If you have suggestions for topics to be discussed, please, send us an email to styret@uiodoc.no with points for the agenda, by the 5th of May 2017.

Once the GA is concluded (roughly 17:30), you are invited to socialise and have some food. We will organise a serving of tapas. This is one other reason why registering for the GA is important.

The formal agenda is as follows:

1. Agreeing on GA agenda
 - Registration of participants
 - Election of GA chair
 - Election of GA secretary
 - Approval of the call
 - Approval of the GA agenda
2. The Annual report 2016
3. Activity plans 2017-2018
 - Budget 2017 (Appendix 1, p. 21)
 - Events/courses for PhDs and Postdocs
 - Other suggestions
4. Elections of board members
5. Miscellaneous

We are looking forward to seeing you all on May 11th!

Best regards
The UiODoc Board
