

Dear all,

it has been quiet on this channel while the new board was taking shape  
- but now we are ready to fight the autumn blues with a social event!

We invite you all to the screening of the MOVIE ON BEING A SCIENTIST  
next WEDNESDAY, 25TH of October at ESCAPE (Johan Dahls Hus) at 18:00.  
After the movie, there will be time to mingle and make new friends in  
the bar.

More details here:

We will provide free pizza for everybody (please sign up so that we know  
you are coming!), and affordable beverages will be available to buy at  
the bar.
