

Dear fellow PhD candidates and PostDocs,

we would like to thank all of you who joined UiODoc for our first discussion lunch on February 27th! It has been a pleasure talking to you. We will try our best to address the issues you have brought up and work towards our common goal:

“Make life better and easier for temporary employees at UiO.”

We will keep you informed!

Kappe Writing Workshop

In cooperation with *Akademisk Skrivesenter*, we are proud to present you a brand new workshop:

The workshop identifies the "kappe" as a distinct element of the full body of work in an article-based PhD project and offers conceptual and practical perspectives on how to position the "kappe" and how to write it. The workshop is hosted by the Academic Writing Centre in collaboration with UiODoc.

Date and Time: March 14th, 12.00-14.00h

Place: Georg Sverdrups Hus Undervisningsrom 1

Registration (limited to 25 seats).

She has also been a UiO-ambassador and work for the MN-Faculty for several years.
