

Dear fellow PhD candidates and Postdocs,

The time approaches for the highlight of the year, something that all PhDs and postdocs look forward to in excitement in similar fashion to 8-year olds a month before Christmas. Yes, you guessed correctly - **it is the [UiODoc Annual General Assembly \(AGM\)](#)**, which is hosted by us once every year. The AGM is a great opportunity to learn more about UiODoc's work and mission, and also to influence our future plans. It is also a good place to meet like-minded doctoral researchers from all of the university units.

[This year's Annual General Assembly \(AGM 2021\)](#) will take place on **September 14th 2021 from 05:00 - 07:00 PM at [Sophus Bugges Hus, Auditorium 1](#) & on Zoom. Being a physical event again this year, we welcome all PhDs and postdocs at the University of Oslo to come attend the meeting to learn more about UiODoc's work, to have your say about our agenda and bring up anything for discussion, to get involved with our activities or simply to enjoy your afternoon with colleagues and good food. We at UiODoc will be there to represent PhDs and postdocs of UiO and we are in need of your participation at the meeting.**

During the meeting, the current UiODoc Board members will:

- Introduce UiODoc in more detail.
- Report on our past activities (events, finances etc.).
- Present and discuss [future plans](#).
- Propose adjustments to our current [UiODoc statutes](#).
- Elect new members of the UiODoc board for the next academic year 2021-2022.
- Have an open discussion of your concerns as a PhD or postdoc here at UiO - do you have any issues with the university administration or working conditions? Any suggestions for social and career activities aimed at PhDs and PostDocs?

Join us!

For the academic year of 2021-2022, we are looking for suitable candidates who would like to **join us in the [UiODoc executive board](#)** and are keen to contribute to our common goal of making life better and easier for temporary employees at UiO. Please have a look in advance at the [board positions, responsibilities, and tasks](#). You can also check out the documents from previous meetings as well as descriptions of the board roles on our website. If you have any questions about becoming a board member or have ideas for our events or our agenda, you can contact the current board at styret@uiodoc.no.

Registration

As we need to keep within the Covid-19 restrictions/regulations and arrange for catering, we encourage participants to please register here in advance:

<https://nettskjema.no/a/uiodocagm21>.

After the meeting formalities have been concluded, food will be served and there will be time to mix, mingle and meet other PhDs and postdocs from around UiO. If you are unable to attend in

person, it will also be possible to attend through Zoom. Zoom link details will be sent through a follow-up email in the week before the AGM.

We hope to see you at the meeting in 4 weeks time, and we look forward to seeing all your new faces. Until then, have a great ending to the Summer and a warm start to Autumn. See you!

UiODoc Annual General Assembly

September 14th 2021, 05:00 - 07:00 PM
Sofus Bugges Hus, Auditorium 1 & Zoom
